Convenience

You do not have to spend petrol money, or time in a lawyer's office just waiting to get legal advice. Simply pick up the phone and call your lawyer, or send us an e-mail and we'll mail you back.

Access to superior legal services 24 hours a day, 7 days a week

We are available to you 24 hours a day, 7 days a week – even during public holidays.

Bail benefit

All Legal Plans include a bail benefit. If you are arrested (for a minor crime) and need bail, we will go to the police station and pay the bail of up to R3,000 for you. Terms and conditions apply.

Frequently asked questions

How does it work?

Once you become a member and we receive your first premium, you will have access to superior legal services 24 hours a day. For the first three months, you will have access to telephonic legal advice. Thereafter, we will appoint an attorney from our nationwide panel to represent you in your area, if necessary.

How much does a lawyer normally cost?

Under normal circumstances, a lawyer could cost you thousands of rands per hour. You will understand why we are so proud to offer you Superior Legal Services from only R140 per month.

What is excluded from the policy?

Pre-existing matters are excluded from the policy. This means that we may not appoint a lawyer to represent you in court if you join after a legal matter is already in progress. However, it is important to note that we will still provide expert guidance and advice over the phone and e-mail if you need it – even if a matter is excluded from the policy. For a complete list of exclusions, please consult your policy documentation.
