The Premium H.E.L.P Plan pays out cash per day. You can use that money as you wish to pay for unexpected costs, for everyday expenses, or to supplement your income if you cannot work.

What is a specific pre-existing condition?

A specific 'pre-existing condition' refers to any condition you might have that exists at the time you take out the plan. For instance, if you have a heart condition at the time you apply for the Premium H.E.L.P Plan, that would be a pre-existing condition. The heart condition will be covered by the plan, but only after a 12 month waiting period.

How do the waiting periods work?

It is standard for many insurance products to include waiting periods. Simply, it means that there is a period that needs to pass before you can claim on the plan. In the case of the Premium H.E.L.P Plan, the periods are 3 months for illness and 6 months for dread disease claims. The waiting period for maternity benefits and for specific pre-existing conditions is 12 months.

When do I notify you if I want to claim?

Once you have paid your first premium, we will send you a Premium H.E.L.P Plan card containing your policy information and our contact details. If you need non-medical expense cover as a result of hospitalisation, you will need to notify us immediately, or by no later than the next business day following admission.
