Clientèle Rewards

With the new Clientèle App, you can access Clientèle Rewards from the comfort of your home or office. The new loyalty benefit offers policyholders significant monthly discounts on groceries, health & beauty products, clothing, shoes, accessories, schoolwear, bus tickets, stationery and so much more. Clientèle Rewards is available to policyholders for only R30 per month. Download the Clientèle App now! It's clear, simple, easy and free to use on all major South African networks. On the Clientèle App you can also buy insurance online, update your policy information and lodge a claim 24 hours a day.

How does it work?

Once you become a member and we receive your first premium, you will have access to superior legal services 24 hours a day. For the first three months, you will have access to telephonic legal advice. Thereafter, we will appoint an attorney from our nationwide panel to represent you in your area, if necessary.

How much does a lawyer normally cost?

Under normal circumstances, a lawyer could cost you thousands of rands per hour. You will understand why we are so proud to offer you professional Legal Services from only R180 per month.

What is excluded from the policy?

Pre-existing matters are excluded from the policy. This means that we may not appoint a lawyer to represent you in court unless the relevant facts occur after the 3 month waiting period. However, it is important to note that we could still provide expert guidance and advice over the phone and e-mail if you need it – even if a matter is excluded from the policy. For a complete list of exclusions, please consult your policy documentation.
