

Clientèle Ultimate Dignity Plan Terms and Conditions

What the policy covers

1. This policy covers death due to an accident (e.g. hijacking, shooting or stabbing) and natural causes (e.g. illness).
2. The money can be used to pay for funeral expenses or to cover additional costs as they may arise during this difficult time.
3. We do not pay for specific funeral arrangements.
4. Cover can be taken for yourself, or family cover can include your spouse, and up to three children under the age of 18.
5. Under either plan, you can also cover up to 8 other family members. The additional premium you pay for each extended member will depend on their age.
6. Accidental death cover is immediate from the time you have purchased your policy for up to 45 days or until your first premium is due (whichever is sooner).
7. Death due to natural causes will be covered at 100% of the benefit amount from month 13 onwards. The Main Insured, covered spouse and covered children (excluding covered extended family members) can however receive 50% of the benefit amount if death occurs from months 7 to 12, and the preceding 6 months premiums have been paid.
8. The Premium Pay Back Benefit – where you get your premiums back - commences after 6 months and 6 paid premiums.
9. We will cover your children up to the age of 18, but if they are **full time students, attending a registered tertiary institution** they may remain on your policy up to the age of 21.
10. Cover is dependent on the payment of your monthly premiums, when they are due.
11. The primary exclusion is suicide, which is not covered until 2 years after inception of the policy, i.e. 24 months, 24 paid premiums.
12. The policy wording contains the full list of exclusions applicable to this policy. Please ensure you read these to familiarise yourself with all benefits, exclusions, or waiting periods.
 - a. The waiting period (i.e. 6 months) is calculated from the date of commencement or resale of this policy (whichever occurred last). If you had another active policy with similar benefits in the past 31 days, the waiting period will be determined from the commencement of that policy (whichever occurred last). During the waiting period you receive no cover for death due to any reason other than as a result of an accident. In other words, you are not allowed to claim for death due to illness even though the policy has commenced. The main reason for imposing a waiting period is to prevent clients

from purposefully taking out a policy only to immediately claim. Due to the fact that waiting periods reduce this risk, they also reduce the insurance premium or potential impact of further increases.

How the policy works

1. You must be between 18 – 70 years old to apply for this policy.
 - a. Extended members between 0 – 80 years old can be added to the policy.

3. Proceeds from this policy are paid out tax free, and will be paid within 24 hours of receipt of all valid claim documents.
4. The total funeral benefit is paid out either as a lump sum or as below:
 - a. The Grocery Benefit will be paid out to you or your family as three (3) instalments of R1, 000 or as a once-off lump sum of R3, 000.

On the death of an Insured Dependent/Extended Family member we will provide the Airtime Benefit to the Policy Owner.
5. You will also have access to a 24 hour funeral helpline where professionals will assist you with various aspects of the funeral arrangements, like grief counselling, repatriation of the body, and discounted rates with various funeral suppliers.
6. Under the Premium Pay Back Benefit, the premiums paid for the person who passed away are paid out as a cash lump sum on their death (not applicable to children, added at no additional cost).

- a. You have the option of taking 50% of all these paid premiums at age 65. The balance of the paid premiums will be paid to your beneficiary on your passing.
